

Jolly Pirates Pre-School January Rhymes and Songs

Songs and rhymes for young children can help speed up their development of communication, memory, language and reading skills, as well as being crucial for recognising and learning phonic sounds. We would encourage you to also sing and join in with songs and rhymes at home with your child.

5 little snowmen

5 little snowmen all made of snow,
5 little snowmen standing in a row.
Out came the sun and it shone all day,
1 little snowman melted away.

(Repeat with 4,3,2,1 counting down using fingers)

Snowflakes

(Tune: Twinkle Twinkle Little Star)

Snowflakes are so hard to hold,
They make our hands and fingers cold.

Down they float so light and bright,
Making trees and fields so white.

Snowflakes are so hard to hold,
They make your hands and fingers cold.

Oh, do you eat your vegetables?

(Tune: Do you know the muffin man?)

Oh, do you eat your vegetables,
Your vegetables, your vegetables?
Oh, do you eat your vegetables,
Each and every day?

Oh, yes we eat our vegetables,
Our vegetables, our vegetables!
Oh, yes we eat our vegetables,
Each and every day!

This is the way I move

Tune: Mulberry Bush

This is the way I touch my nose, touch my nose, touch my nose.
This is the way I touch my nose, when I'm at school!

Variations:

This is the way I Jump up and down...

This is the way I spin around...

This is the way I hop in the air...

This is the way I stretch up high...

This is the way I touch my toes...

This is the way I balance on one foot...

This is the way I spin in a circle...
